

November 4, 2011

Dear FBA Teens and Parents:

We are ready to enroll for the 2nd Annual Teen Basketball program, First @ Second. This will be a winter Basketball program administered by FBA at Second Presbyterian Church. Second Pres has a beautiful regulation size court and they are pleased to partner with FBA in this outreach.

This program is for high schoolers 14 – 18 from FBA, Second Pres and our neighbors in the Nora community. It will resemble other FBA programs in terms of administration, schedule and of course, a philosophy of good sportsmanship.

The season will begin with practices on Monday, January 16. We will practice for two weeks and begin games twice a week on Saturday, January 28th. The season will run until mid March.

There is a mandatory evaluation for all players on Saturday, January 7th 10:00–12:00. We will honor requests as best we can as always up to a reasonable amount.

We had a fun initial season last year and hope to replicate that success. You do need to register as soon as possible. You can either register online at: firstbaptistathletics.com, drop your form in the mail or come by the Athletic Office.

Spread the word. Call me if you have any questions. 844-3559.
